SX4 S-CROSS

ACCESSORIES CATALOGUE

More Fun 4 you.

Get away from everything, or to the next town, or just to the café? The SX4 S-CROSS makes it fun everywhere and cuts a great figure. But no matter how much you value your car and how much its appearance impresses, we can do more. Much more.

Some images in this brochure may feature special equipment or accessories.
For precise information about the equipment provided on the vehicle, please contact your Suzuki partner.

PACKAGES

Show more edge

The SX4 S-CROSS is convincing as an overall package. But there is still space for something on top with the design packages „Sleek“ and „Boulder“. Bestow more corners and edges and expertly round off the appearance of your vehicle.

EXTERIOR

Keeping up outside appearances

Inner values are important, but good looks are not to be underestimated, either. Take our exterior accessories. They show off your SX4 S-CROSS to best advantage from front to rear and turn it into a truly spectacular sight to behold. And there's no skimping on those inner values, either - the quality equally bears up to closer examination.

In the cause of safe child travel

Security takes first place in our accessories program. As demonstrated by quality Römer child seats. These are easy to handle, simple to attach and just great at protecting your little ones. And when your children grow, the multi-adjustable seats grow with them. Our Römer child seats are always a perfect match - for the rest of your Suzuki's interior, too.

16 | CHILD SEAT FAIR
Restraint system specifically conceived to accommodate children weighing from birth to 18 kg, corresponding to an approximate age from 0 months to 4 years. The child seats FAIR fulfil the ECE R 44/04 requirements. Together with the platform FAIR the seat can be mounted on any rear seats. Please order the FAIR platform separately.

Child seat FAIR Eastern Europe[1]
For countries: PL, HU, CZ, SK, SI, RO, BG, GR, CY

AUDIO & NAVIGATION

The heights of technical refinement

We are all used to being surrounded by technical devices. Hi-tech is now firmly established in the mobile world, too, and Suzuki has all options covered here. What sort of technical upgrade are you looking for? A state-of-the-art audio system that's just on your wavelength? A navigation system that enables you to access additional online services? You'll find all this in our additional brochure.

Suzuki Genuine Accessories have been specially designed for Suzuki cars and are subject to the same quality standards as the car. Please note that only Suzuki Genuine Accessories have been tested and cleared for use by Suzuki. The necessary instructions can be found in the relevant manuals. It is possible under some circumstances that the installation and/or use of other accessory parts could have a negative effect on the structural characteristics of your car and thus reduce driving safety. Suzuki cannot accept any liability for damage caused by the use of accessories other than Suzuki Genuine Accessories.

On publication of this brochure all earlier information ceases to be valid. Some of the brochure's illustrations show special equipment.

The details given in this brochure are non-binding and are purely for informational purposes. Errors excepted.

We kindly ask you to make sure that all legal requirements are fulfilled in your country when using the range of Suzuki accessories.
