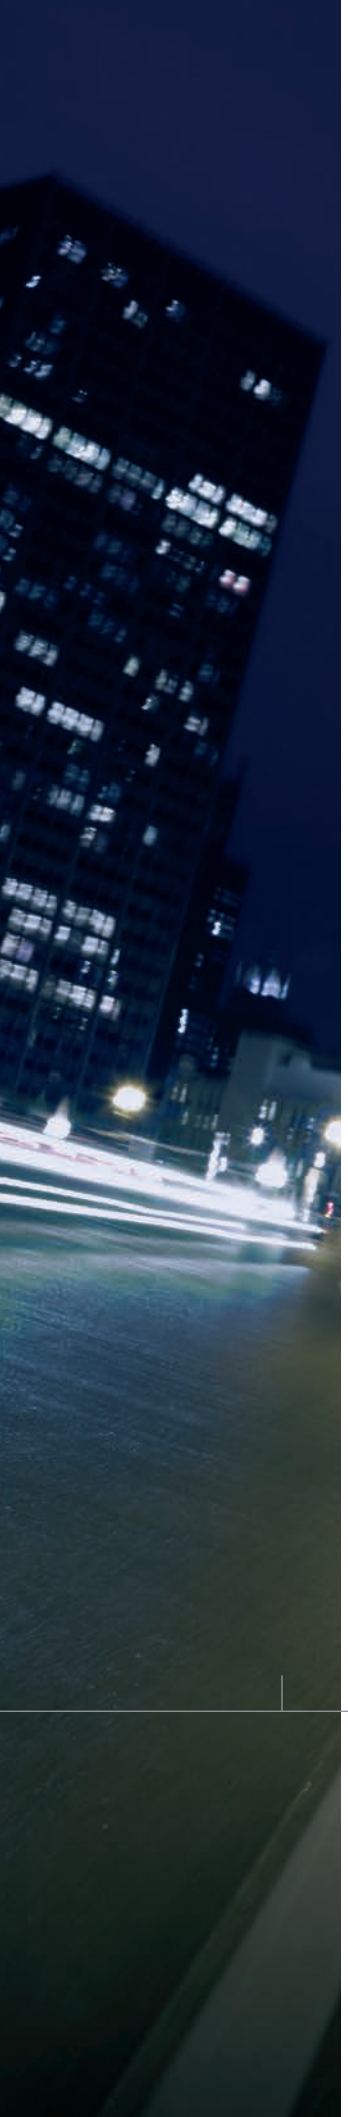
MiTo
ALFA ROMEO

MiTo, a powerhouse of constantly evolving content.
Design, technology, safety and performance
from a veritable “energy machine”.



CONCENTRATE OF ALFA ROMEO

STYLE

Up to 18" alloy wheels
Coupé door design
LED rear lights
Wraparound racing seats

EFFICIENCY

Alfa MultiAir engines
JTDM-2 engines
TwinAir Turbo engine
Start&Stop
Gear Shift Indicator

SPIRIT

Alfa Romeo D.N.A.
ALFA TCT semi-automatic sequential gearbox
(Twin Clutch Transmission)

DYNAMISM

Power of up to 170 bhp
Alfa Adaptive Suspension
Alfa Active Suspension

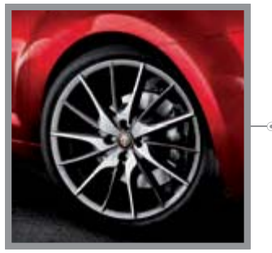
SAFETY AND TECHNOLOGY

7 airbags
Euro NCAP 5-star rating
Alfa Electronic Q2
VDC with Hill Holder
Alfa Dynamic Steering
Uconnect™ 5” colour touch screen infotainment system

Length 4.06 m - Width 1.72 m - Height 1.44 m

These are the vital statistics of a sports car on which even the styling details are designed for optimum performance.

STYLE



Tyres with 16", 17" or 18" rims featuring wide tread for true **sports handling**.

A car which combines a sporty coupé line with the comfort of a compact saloon:

a streamlined muscular exterior silhoulette with frameless doors, while inside there are 4 comfortable seats.

Rear lights with **LED** technology, a design detail that responds to the need for high **visibility** and enhanced safety.

INTERIORS

The driver can call on a racing instrument panel.

Only the finest materials have been selected for total comfort, with interiors in leather and fabric that exude an unmistakable 'made in Italy' quality.

EFFICIENCY

At the heart of the MiTo are engines that combine spirit with high-efficiency low running costs.

There are 3 petrol engines to choose from: 875cc Turbo TwinAir 105 bhp Euro 6 engine, 1.4 Turbo MultiAir 135 bhp (also available with ALFA TCT semi-automatic transmission) and for those looking for unadulterated racing spirit the 1.4 Turbo MultiAir 170 bhp.
You also have the choice of 2 diesel engines: 1.3 JTDM-2 85 bhp and 1.6 JTDM-2 120 bhp.

To keep fuel consumption and emissions low, the MiTo has another device on board:

- Start&Stop: this device, which automatically stops and starts the car when at a standstill in traffic, is constantly active, but can also be deactivated by the driver.
- Gear Shift Indicator - GSI: this system suggests when to change to the gear best suited to optimise power unit efficiency and reduce fuel consumption by turning on a light on the control panel.

	875cc TB TwinAir 105 bhp	1.4 TB MultiAir 135 bhp/ ALFA TCT	1.4 TB MultiAir 170 bhp	1.3 JTDM-2 85 bhp	1.6 JTDM-2 120 bhp
Displacement	875 cm^3	1,368 cm^3	1,368 cm^3	1,248 cm^3	1,598 cm^3
Max. torque Nm (kgm)	145 (14.8)	206/230 (21.0/23.4)	250 (25.5)	200 (20.4)	320 (32.6)
at rpm	at 2,000 rpm	at 1,750 rpm	at 2,500 rpm	at 1,500 rpm	at 1,750 rpm
Max speed (mph)	114	129	136	108	123
0-62 mph (s)	11.4	8.4/8.2	7.5	12.9	9.9
Combined Fuel consumption mpg	67.2	50.4/51.4	47.1	80.7	64.2
CO_2 g/km	99	129/126	139	90	114
Classification	Euro 6	Euro 5	Euro 5	Euro 5	Euro 5
Start&Stop	standard	standard	standard	standard	standard

Fuel consumption figures are obtained for comparative purposes in accordance with EC directives/ regulations and may not be representative of real life driving conditions. Factors such as driving style, weather and road conditions may also have a significant effect on fuel consumption.

PERFORMANCE

Choose your ideal engine: you can count on Alfa Romeo's great engineering tradition.

ALFA MULTIAIR

This technology marks a new era for petrol engines, continually varying the intake of air into the engine directly as it enters the cylinders, based on the actual engine requirements.

- From 10% to 35% more **maximum power** and up to 15% more **torque** at low speeds.
- **Pick-up** improved by up to 12% and up to 10% lower **fuel consumption** and emissions.

JTDM-2

Lift the bonnet and the MiTo reveals the second generation of MultiJet diesel engines, a development of the Common Rail system, a Fiat Powertrain Invention.

- **Combustion is optimised** to obtain excellent results in terms of consumption, emissions, noise and handling.
- **Extreme reliability** borne out by service intervals of 21,000 miles.

TURBO TWINAIR

875cc Turbo TwinAir 105 bhp Euro 6.

The Turbo TwinAir combines MultiAir technology with an innovative two cylinder layout to achieve maximum fuel efficiency, power, outstanding flexibility and response when needed.

SPIRIT

Get behind the wheel and enjoy the true Alfa Romeo spirit: that unique connection between you, your MiTo and the road, which makes you inseparable. An experience you can savour first-hand with technology like Alfa D.N.A. and the ALFA TCT gearbox.

ALFA D.N.A.

Derived from racing experience, Alfa D.N.A. is the exclusive Alfa Romeo driving selector which, by acting on engine, brakes, steering, gearbox, suspension and accelerator, perfectly adapts the vehicle's performance to suit the driver's style and the road conditions.
It offers simple, intuitive use: just shift the selector near the gear lever.

- In the **Dynamic** driving mode the electronic traction control systems are less intrusive, the engine and brakes are more reactive and quicker to respond and the steering is more direct and sporty.
- Shift the selector to the **Natural** urban driving mode and the calibration is more neutral, with optimised consumption.
- When poor grip conditions make the road more demanding, all you have to do is activate the **All Weather** setting, designed to anticipate the intervention of all of the electronic safety devices.

ALFA TCT

ALFA Twin Clutch Transmission is the innovative twin dry clutch semi-automatic transmission, consisting of two gearboxes in parallel that allow the next gear to engage while the previous one is still engaged. The ALFA TCT guarantees driving comfort and a sporty feel that far surpass those offered by traditional automatic transmissions, coupled with improved efficiency and lower fuel consumption.

- **Driving pleasure.**
  Fast gearshifting in both automatic and sequential mode, available with optional steering wheel paddles for a true sports driving experience.
- **Comfort.**
  Drive is progressive and continuous at all times, without the typical loss of torque associated with traditional automatic or manual gearboxes.
- **Efficiency.**
  Consumption and emissions are lower compared to the same fuel supply with manual gearbox.

DYNAMISM

Agility, precision driving and comfort.
Thanks to MacPherson front suspension and rear torsion beam with semi-independent wheels.
Two solutions with tried-and-tested performance which, in a compact like MiTo, guarantee boundless fun and maximum safety.

ALFA ADAPTIVE SUSPENSION

Standard on high-performance engines, 1.4 TB MultiAir 135 bhp petrol and 1.6 JTDM-2 120 bhp diesel.
It adopts variable-response shock absorbers.
Thanks to the by-pass valve, they improve comfort in response to stresses, maintaining the vehicle's excellent dynamic control.

ALFA ACTIVE SUSPENSION

Standard on the MiTo 1.4 TB MultiAir 170 bhp Quadrifoglio Verde.
This electronic shock absorber control system actively and continuously varies **the chassis response** according to road conditions and the driver's needs.
It interfaces with **Alfa D.N.A.** and the other on-board **electronic devices to deliver the performance required for optimal road holding**.

MiTo is all set to protect driver and passengers in any situation.
With 5 stars and 36 points in the compact category, MiTo is best in class for passive safety in the adult Euro NCAP ranking.

SAFETY

ACTIVE SAFETY

- **ALFA ELECTRONIC Q2** Reproduces the action of a self-locking differential.
- **ABS** Anti-lock Braking System.
- **EBD** Electronic Brake force Distributor between the front and rear wheels.
- **VDC** Electronic Vehicle Dynamic Control for better car stability.
- **ASR** Anti-Slip Regulation system provides traction control by adjusting the brakes and Engine Control Unit (ECU).
- **HBA** Hydraulic Brake Assistance for emergency braking.
- **Hill Holder** System to aid hill starts.
- **MSR** (Motor Slip Regulation) controls engine braking when the accelerator pedal is released.
- **CBC** (Corner Brake Control) System optimising braking performance on bends.
- **ALFA ACTIVE STEERING** Integrates electric steering in the VDC functions: a light impulse on the steering wheel prompts the driver to correct oversteer.

PASSIVE SAFETY

- 7 **AIRBAGS** as standard.
- **SEAT BELT REMINDER** technology (SBR): 5 waring lights on a small screen allow the driver to make sure all seat belts are fastened.
- **ANTI-WHIPLASH DEVICES** on seats.
- **COLLAPSIBLE** steering wheel.
- **STEERING COLUMN** designed to absorb impact energy in a controlled manner.
- **STEERING-LOCK** accommodated out of the way of the driver's knees
- **LED** rear lights to improve the visibility of the car.

TECHNOLOGY

You want to connect to your music and have everything under control. That's why MiTo offers you Uconnect™, the built-in system that combines a top-quality sound system with a raft of multimedia services and functions. And you can operate it with the touch of a finger or simply your voice, thanks to a 5" colour touchscreen and voice recognition.

uconnect

Uconnect™ 5" Radio

- You can use the touchscreen to access all audio functions directly: AM/FM radio, CD player, media player devices can be connected via USB port or Aux-in socket.
- Commands can also be voice-activated.
- The Bluetooth® interface lets you read any text messages received (through the text to speech system) and use the steering wheels controls to handle telephone calls*.
- With the Audio Streaming system you can play music files or web radio straight from your smartphone without wires*.

  Also Availble with DAB Digital Audio Broadcast

Uconnect™ 5" Radio NAV

- Built-in navigation developed in collaboration with TomTom® for simpler, more intuitive navigation, even easier thanks to the touchscreen and voice recognition.
- It is pre-loaded with maps of major European countries, which can be updated via USB.
- It uses traffic message channel (TMC) information for real-time updates on slow-moving traffic and delays.
- The "Advanced Lane Guidance" system helps you to breeze through even the most complex junctions.
- It provides warning of fixed speed cameras, the position of average speed cameras and fixed cameras.
- Thanks to the IQ Routes® system, it calculates the best route on the basis of real, measured average speeds.

BOSE® Sound System Hi-Fi for an amazing sensory experience: 8 main speakers and subwoofer combined with an 8-channel digital amplifier for excellent deep bass notes and wraparound sound with more nuances.

* The list of compatible mobile phones is available online at: www.alfaromeo.co.uk

MITO SPRINT

Choose style and enter the MiTo world.

Available on 875cc TB TwinAir 105 bhp petrol and 1.3 JTDM-2 85 bhp diesel

• Vehicle Dynamic Control switch (Alfa D.N.A. system) • Uconnect 5” colour touch screen infotainment system with Bluetooth® and voice recognition with USB and Aux-in inputs • Steering wheel with remote controls and gear knob in leather • 16" Sprint alloy wheels with 195/55 R16 tyres / (ECO) • Manual climate control • Rear Spoiler • Front fog lights • Sports rear bumper • Dark tinted rear windows • Start&Stop • Alfa code immobiliser and alarm system with safe lock • Sprint cloth upholstery • VDC (ABS+ASR+Brake Assistant) with Hill Holder and Electronic Q2 • Titanium Grey headlight & rear light surrounds • Electrically adjustable and heated Body-coloured wing mirrors • 7 airbags • Space Saver Spare wheel

Street Black dashboard

3 YEAR ALFACARE DEALER WARRANTY
For your peace of mind, all Alfa Romeo UK cars are covered by a 3 year unlimited mileage warranty including parts, materials and labour. This comprises a 2 year unlimited mileage Manufacturer's Warranty plus an additional 1 year unlimited mileage Dealer Warranty. For full terms and conditions please refer to your Alfa Romeo Service and Warranty booklet.

8 YEAR ANTI-PERFORATION WARRANTY
Any perforation of the bodywork due to corrosion will be replaced free of charge during the first 8 years.

3 YEAR PAINTWORK WARRANTY
In the unlikely event of any paintwork defects, due to faulty materials or manufacture, we will rectify these free of charge during the first 3 years.

TRADE DESCRIPTIONS ACT 1968
Products offered for sale may differ from those described or illustrated in this price list due to later production changes in specifications, components or place of manufacture. The contents of this price list are therefore to be treated as representations as to the current availability of products as described, or as to products actually offered for sale. Alfa Romeo UK reserves the right to make changes at any time, without notice, to prices, colours, materials, equipment, specification and models and also to discontinue models.

Alfa Romeo UK is a trading name of Fiat Group Automobiles UK Ltd.

ALFA ROMEO INFORMATION AND CUSTOMER SERVICE
A freephone number (00800 2532 0000) gives you access to our dedicated information and customer service facilities, providing you with details of Alfa Romeo dealers offering additional services such as extended workshop hours, Auto Clinic and Approved Bodyshop facilities. Alfa Romeo also believes it is important to stay in contact with you and will, subject to your agreement, telephone you from time to time to ensure you are happy with your Alfa Romeo and the service you receive from your dealer.

FIXED SERVICE COSTS
All Alfa Romeo dealers operate a 'Menu Pricing' programme that guarantees fixed service and maintenance costs with no hidden extras. The price you see is the price you'll pay unless you have given your consent for further work to be carried out.

Insured products and services

The following insured products and services are provided through Alfa Romeo Financial Services*.

3 YEAR ROADSIDE ASSISTANCE†
All new Alfa Romeo cars come with 3 years' Roadside Assistance. This insured service is provided free of charge and is available 24 hours a day, throughout the year.

ALFA ROMEO MOTOR INSURANCE
Comprehensive car insurance at competitive premiums, with up to 65% No Claims Bonus transferable from your existing policy after five years of claim free driving.
For a quotation, either ring 0800 023 2247, or visit online through www.alfaromeo.co.uk

ALFA ROMEO CONTRACT HIRE**
If you are a company car driver with a "User Chooser" policy, very competitive quotations can be obtained through Alfa Romeo Contract Hire. Available with and without maintenance, it can also include emergency assistance, road fund licence and resale. We can even arrange for your vehicle and petrol card accounts. Contract Hire finance facilities are available subject to credit approval. Written quotations are available from Alfa Romeo Contract Hire, 240 Bath Road, Slough, Berkshire, SL1 4DX. ***

ALFA ROMEO FINANCIAL SERVICES
Who better to design a range of bespoke finance for your Alfa Romeo than Alfa Romeo? And how reassuring to know that the finance options available are as beautifully structured as the car itself. Alfa Romeo Financial Services has been created to meet the demands of the discerning Alfa Romeo driver – and as you'd expect, it offers more in every sense. Whether you are a business or a private customer, your Alfa Romeo dealer can show you examples of payment plans on computer to help you to choose the option that best suits your finances.
You'll find the rates on a variety of options very competitive, including Alfa Romeo Preferenza, Hire Purchase, Lease Purchase or Finance Leasing. We can also offer you insurance that protects you against the possibility of not being able to meet your payments or in the event of your vehicle being stolen or written off. Beautiful cars, beautifully financed – what could be more fitting?
Written quotations are available from Alfa Romeo Financial Services, 240 Bath Road, Slough, Berkshire, SL1 4DX. ***

† The Roadside Warranty service and the third year dealer warranty are only applicable to UK vehicles sourced from Alfa Romeo UK.
* Alfa Romeo Financial Services is a trading style of FGA Capital UK Limited. FGA Capital UK Limited is authorised and regulated by the Financial Services Authority for General Insurance.
**Alfa Romeo Contract Hire is a trading style of FGA Contracts UK Limited which is an appointed representative of FGA Capital UK Limited.
*** Credit available to anyone aged 18 or over, subject to status. A guarantee and/or indemnity may be required..

To experience the pleasure of ownership and driving your new Alfa Romeo, the journey starts on www.alfaromeo.co.uk, the latest interactive way of researching and selecting your next car. All the information you need about the company, its products, customer service support, finance and insurance, latest campaigns and the dealer network are at your fingertips. You can also read up on what the press are saying about our vehicles in our News Centre. So visit our website and arrange a test drive at your nearest Alfa Romeo dealer today.

Fuel consumption figures are obtained for comparative purposes in accordance with EC directives/ regulations and may not be representative of real life driving conditions. Factors such as driving style, weather and road conditions may also have a significant effect on fuel consumption.

CLOVERLEAF
ALFA ROMEO MEMBERSHIP CLUB

THE CLOVERLEAF – SIGN OF THE TRUE ALFISTI

Alfa Romeo driver Ugo Sivocci carried a four-leafed clover symbol on the deep red bodywork of his Alfa Romeo RL for luck as he lined up for the 1923 Targa Florio. It must have worked…because he won. Ever since, the cloverleaf has symbolised the sporting heart of Alfa Romeo, recognised and celebrated by Alfisti throughout the world. So what better name for a club where you can share your passion for all things Alfa Romeo?

BE A PART OF CLOVERLEAF

Welcome to the ultimate place to indulge your Alfa passion. Discover Cloverleaf, the Official Alfa Romeo UK Membership Club for fans and owners, and an online community for the genuine Alfa aficionado. As a member, you'll have access to regular news updates, privileged information in advance of the general public through the official Alfa Romeo magazine and exclusive follow-up features available only online. Plus there's our Cloverleaf forum and our new private messaging feature where you can chat with fellow members about experiences, tips and all things Alfa.
