The Audi A3 Cabriolet

With the Audi A3 Cabriolet, we've taken all the qualities you'd associate with Audi – stunning design, sporty looks and progressive styling – and brought them one step further. From the sweeping, expressive lines of the body to the smooth silhouette of the canvas hood, it's got all the dynamic character and appeal of a coupé. And even more impressively, we've combined this with the everyday practicality of increased luggage capacity and space for four people.

Stylish and practical, the A3 Cabriolet's dynamic shape and alloy wheels make an immediate impact. And with a Z-fold hood that opens in just 9 seconds, it doesn't take much longer for this car to impress you with its ever-changing profile. In fact, you can lower its Sport hood with just the touch of a button, at speeds of up to 19mph. The model is available now with a choice of five engines, including the turbocharged 2.0 TFSI and the new efficient 1.6 TDI with common-rail injection technology. What's more, along with considerable power you can enjoy impressive control, thanks to a choice of manual transmissions or the revolutionary Audi S tronic transmissions. And no matter which options you select, from styling to multimedia, you can look forward to a comprehensive range of equipment to make your driving experience complete.

Petrol

The A3 Cabriolet includes an impressive turbocharged direct-injection TFSI engine. TFSI is a unique Audi innovation, combining turbo-charging with the FSI technology originally developed for the Le Mans 24-hour endurance race to deliver increased power and torque, as well as enhanced fuel efficiency. Precisely the right amount of fuel and air are injected directly into the combustion chambers, 'unthrottling' the engine and enabling it to 'breathe' more easily. At the same time, electronics monitor the engine load and adjust the injection process. The result – reduced heat-loss and increased output, with around a 15% reduction in fuel consumption and significantly lower exhaust emissions. Ideal for someone who's looking for an uncompromising, exhilarating drive.

Diesel

We introduced TDI to the roads in 1989, marking a departure from the noisy, fuel-thirsty diesel engines of the past. And since then, we've continuously refined it, recently developing common-rail technology for even more efficiency and power. Under this system, a series of piezo injectors use electrical charge to precisely control the amount of fuel injected into the engine. As well as reducing noise, this allows combustion to happen at a lower temperature, with less oxygen, which cuts down emissions. So not only does common-rail technology help to protect the environment, it also enables us to future-proof our cars.

Standard model equipment

All A3 Cabriolet models have the following items of Standard equipment:

Engines

Automatic start/stop function for greater fuel and CO_2 efficiency. Comprising:

- Recuperation for optimal energy utilisation
- Energy-saving tips feature in Driver's Information System; including gearshift indicator (if fitted)

(Only available on 1.6 TDI manual engines)

Wheels, tyres and suspension

16 x 6.5J '7-arm' design alloy wheels with 225/55 R16 tyres

Space-saving spare wheel

Audio and communication

Audi Chorus radio/single CD player with front speakers

Seats

Driver and front passenger seat-height manually adjustable

Easy entry front seats

'Frequency' cloth upholstery

Seat belts – 3-point on all four seats

Split-folding rear seats (50:50)

Safety and security

Anti-theft wheel bolts

Audi backguard head restraints for front seats (adjustable)

Daytime running lights

Driver, front passenger and side airbags for front seats

Electronic Stability Programme (ESP), including ABS, EBD, ASR and EDL

Halogen headlights

Front and rear ISOFIX child seat preparation (front passenger with airbag deactivation switch)

Rear fog light

Rear head restraints

Remote-control central locking

Roll-over protection bars

Servotronic – electromechanical, speed-sensitive, power-assisted steering

Thatcham Category 1 Alarm and Immobiliser

Warning triangle

Tool kit and car jack

Interior equipment

4-spoke leather steering wheel (not on S tronic models)

3-spoke leather Sports steering wheel with gear-change paddles (S tronic models only)

Electric front and rear windows

Front and rear floor mats

Granite or Umbra inlays and door trim (depending on upholstery colour, see page 28)

Heated rear glass screen

Heat-insulating glass

Illuminated vanity mirrors

Manual air conditioning

Manual headlight adjustment

Steering wheel adjustable for height and reach

Washer fluid level indicator

Exterior equipment

Body-coloured door mirrors with integrated indicators

Electrically-operated and heated door mirrors

Semi-automatic electrically-operated soft-top

16 x 6.5J '7-arm' design alloy wheels

Driver, front passenger and side airbag for front seats

Split-folding rear seats (50:50)

Transmission

Audi offers a variety of different transmission options to suit your requirements and driving style. In addition to the classic manual gearbox are two innovative, semi-automatic transmission options. To help you come to an informed decision, each of these is described in detail opposite.

S tronic (6-speed)

The revolutionary S tronic gearbox combines the agility and responsiveness of a conventional 6-speed manual gearbox with the convenience and smooth, uninterrupted power of an automatic transmission. The technical basis of the S tronic gearbox is the double clutch. This consists of two lubricated plates with hydraulically-regulated contact pressure. One engages the odd-numbered gears, the other the even-numbered, enabling gear-shifts to be made in a fraction of a second, with no disruption to the power flow. Depending on how the mood takes you, you can either allow gear-changes to take place automatically or, for a sportier driving style, operate the S tronic system using the gear lever or steering wheel shift-paddles. The choice is yours.

S tronic (7-speed)

The 1.8 TFSI model is available with the 7-gear version of our highly-acclaimed S tronic gearbox. The extra gear, along with a dry-clutch set-up, results in improved fuel economy and lower CO_2 emissions. As with the 6-speed S tronic gearbox, this gear system can be operated in fully automatic mode, or using the gear lever or steering wheel gear-change controls for an even more engaging drive.

Every Audi is intrinsically exclusive. It's the breathtaking design, the exceptional engineering, the Vorsprung durch Technik. But for that added element of exclusivity – that distinguishing look that sets you apart from the rest – you can specify your A3 Cabriolet with options from Audi exclusive. Whether you want a completely unique, custom-mixed paint colour or seats in a combination of complementary shades, Audi exclusive will enable you to drive the car you've always imagined.

For more information on any of the options over the following pages or to view swatches, simply ask a member of staff at your local Audi Centre.

Downloaded from www.Manualslib.com manuals search engine

Upholstery

With Audi exclusive, you can choose between Fine Nappa leather and Alcantara, depending on the texture and flexibility you prefer in your car's upholstery. And once that's decided, you can specify your seats in an array of different colours shown to the left.

Choose just one all-over shade for each seat, or for a sportier look, customise each panel in two or more complementary colours from the distinctive Audi exclusive palette shown here. You can even choose the colour of the decorative stitching – to match or contrast with your chosen upholstery – from this varied collection. Whatever combination you decide upon, you're guaranteed to be extremely comfortable with the result.

	Standard	Sport	S line	Black Edition	Basic RRP	Total RRP inc. VAT
Audi exclusive Fine Nappa leather seat upholstery with Alcantara door inserts and floor mats with leather piping. (Only in combination with Sports seats)	– –	• –	– •	– –	£2,539.13 £2,282.61	£2,920.00 £2,625.00

Inlays

Inlays are the all-important 'finishing touch' that add flair and interest to the surfaces inside your car. So Audi exclusive have sourced a hugely varied range of materials from which to craft these elements – from Oak sepia to rich quilted maple wood. You can even customise your gear knob with one of the available woods, all of which are shown opposite.

	Basic RRP	Total RRP inc. VAT
Inlays**	£652.17	£750.00

Steering wheels and controls pack

Our fingertips and palms contain more touch receptors than any other part of our body – so shouldn't the parts of our car we handle the most also be the most pleasing to touch? With this in mind, Audi exclusive enables you to customise the steering wheel of your choice in smooth, warm leather, in any of the colours shown on page 41. As with Audi exclusive seats, you even have free choice on the colour of the decorative stitching used. Choose a controls pack and you can extend this exclusive look and feel to your car's handbrake, gearknob and gaiter too.

	Basic RRP	Total RRP inc. VAT
Leather steering wheel rim	£300.00	£345.00
Controls pack comprising – leather trimmed steering wheel rim, gear lever knob and gaiter and hand brake grip	£508.70	£585.00

RRP – Recommended Retail Price.
VAT is calculated at 15% but this may alter to reflect any change in the applicable VAT rate.

Additional information

CO_2 data and information

CO_2 emissions-based Vehicle Excise Duty

Vehicle Excise Duty (Road Fund Licence) is based upon the amount of Carbon Dioxide (CO_2) a vehicle emits, measured in grams per kilometre (g/km). The DVLA has created thirteen categories:

Petrol and Diesel engines	
A – up to 100g/km	£0.00
B – 101 to 110g/km	£35.00
C – 111 to 120g/km	£35.00
D – 121 to 130g/km	£120.00
E – 131 to 140g/km	£120.00
F – 141 to 150g/km	£125.00
G – 151 to 165g/km	£150.00
H – 166 to 175g/km	£175.00
I – 176 to 185g/km	£175.00
J – 186 to 200g/km	£215.00
K* – 201 to 225g/km	£215.00
L – 226 to 255g/km	£405.00
M – over 255g/km	£405.00

*Band K includes cars that have a CO_2 figure over 225g/kg but were registered before 23 March 2006.

Audi Service

Servicing tailored to your needs

Regular servicing is key to safeguarding your Audi's performance and a full Audi service history could help you preserve the future re-sale value. To make servicing easy, the Audi Service Schedules have been designed to work with your individual driving style and vehicle.

There are two schedules available and your Audi Centre will advise which schedule is most suited to your needs. The conventional fixed Audi Inspection Service schedule has fixed intervals for the Oil-change and Inspection Service that are based on time and distance, whichever comes first. With the Audi LongLife Service schedule, sensors take account of driving style and conditions in which the vehicle is used to indicate when the Oil-change Service is required. Oil-change Service intervals are therefore variable and are conveniently indicated via the on-board service interval display.

Inspection Service Schedule

	Vehicle usage:
Mileage	Less than 10,000* miles per annum
Type of journey	Mainly city/town centre driving. Short journeys
Conditions	Frequent cold starts. High engine loading – e.g. frequent hill climbs, vehicle fully loaded, towing
Driving style	Uneconomical – e.g. heavy acceleration, heavy braking, constant changes in speed, constant use of high revs, 'sporty' driving

	Fixed Audi Inspection Service Intervals:
Oil-change Service	Fixed to every 10,000* miles/1 year
Inspection Service	Fixed to every 20,000* miles/3 years, then every 20,000* miles/2 years thereafter

LongLife Service Regime

	Vehicle usage:
Mileage	More than 30 miles per day
Type of journey	Motorway and main road driving. Mainly longer distance journeys. Constant speeds
Conditions	Normal engine loading – e.g. with little or no towing, with little or no hill climbs. Normal vehicle loading
Driving style	Moderate acceleration, moderate braking, engine revs mainly below 3,000

	Audi LongLife Service Intervals:
Oil-change Service	Variable to a maximum of every 20,000* miles/2 years
Inspection Service	Fixed to every 20,000* miles/3 years, then every 20,000* miles/2 years thereafter

*As indicated by the service interval display. Mileages are approximate as the Service Indicator system uses kilometres as its distance measurement.

Additional information

Audi Promise

By placing an order for your Audi, you're choosing to get behind the wheel of one of the most sophisticated cars on the road. And because we believe the service we offer should be just as advanced, we wanted to let you know exactly what you can expect from us, now and in the future.

We've agreed a set of standards with all our Centres, which governs the way we do business with you. It outlines the kind of service we promise to deliver for every customer, right down to filling each new Audi we sell with half a tank of fuel.

So whether you're interested in the date your car will arrive in the UK or the way we'll dispose of non-biodegradable materials after we service your Audi, you can have total confidence in us.

Audi Centres

We guarantee that all of our Centres will be open as follows;

Sales: Monday to Friday 9am–6pm
Saturday 9am–5pm

Service:
Monday to Friday 8am–6pm
Saturday 8.30am–1pm

Sunday opening is at local discretion.

New car delivery

Once we've confirmed a delivery date for your car, we'll keep you informed of progress. Subject to reasonable notice, we'll then deliver it to a place of your choice, whether that's your home or place of work.

In the unlikely event of a delay, we'll provide a courtesy car to minimise inconvenience and keep you mobile.

The experts in Vorsprung durch Technik

Would you entrust your Audi to anyone who hasn't been regularly trained to Audi standards? Our network of Audi Approved Master Technicians have undergone an impressive 100,000 hours of training over a 10 year programme to ensure they have the latest technical expertise for maintaining and servicing your Audi. All of our Service Advisors undergo a specialist induction and training to ensure they are Audi professionals and able to talk to you about any issues you may have with your Audi vehicle. What's more, we have so much expertise and experience in looking after Audi vehicles that we are able to make a note of your mileage and the state of your vehicle as and when we see it and predict when certain key events may occur. As part of our duty of care, we will notify you in plenty of time so you can make an appointment with us.

Your convenience comes first

At Audi you can choose from a range of convenient services that suit your needs. Why not book a 'service while you wait' appointment* and enjoy our complimentary refreshments while your car is with us? Or, if you need to be mobile, take advantage of one of our courtesy cars which we can even collect and deliver to you*. We guarantee we can service your Audi within 5 days without a courtesy car, or within 10 days if you need transport. We will also ensure your car is returned to you with a full valet.

Audi Genuine Parts

Would you put a part into your Audi that wasn't the same quality as the factory fitted original? You can rest assured that only Audi Genuine Parts will be used on your vehicle. What's more, Audi parts and labour come with a 2 year guarantee.** We stock a wide variety of parts, so we are well covered. However, if we don't have a part in stock at our Centre we have the back-up of parts at other Audi Centres, at our national warehouse and our factory and can usually source the relevant part very quickly.

We don't like surprises either

We believe strongly in transparency and there will be no hidden costs. For added peace of mind, we will give you a quotation over the phone for the work you have requested and email you the price confirmation. We'll consult you if any additional work on your car is needed when it is with us. We won't carry out any extra work without asking your permission first.

The Audi Stamp

Regular servicing is key to safeguarding your Audi's performance and a full Audi service history could help you preserve the future re-sale value of your car. Only the Audi Stamp will prove your approved Audi service history.

Getting better every time

Audi continually gather feedback from our highly trained Technicians and our customers to ensure our vehicles are running as they should. If necessary, we use this feedback to make improvements (in the form of software updates) to help maintain the durability, performance, efficiency and safety you would expect from our cars. These updates will also ensure certain retrofitted products are correctly installed and function correctly (tow bar fitting changes the torque characteristics of your engine, for example). We ensure these are loaded onto your vehicle each and every time it's in our workshop.

Environmental commitment

We promise to dispose of all non-biodegradable materials from your vehicle in a responsible manner

*Subject to availability.

**Excludes wear and tear.

Audi Roadside Assistance

Your new car comes complete with complimentary roadside assistance and recovery across the UK provided by RAC Motoring Services. Also included is roadside assistance throughout Europe, managed by RAC Motoring Services.

Audi Customer Care

Every new Audi benefits from the comprehensive Audi Customer Care Package, which comprises:

- A 3-year Audi warranty, which covers you for unlimited mileage in the first 2 years of ownership, with a full mechanical and electrical warranty which covers you for up to 60,000 miles in the 3rd year
- A 3-year paint warranty
- A 12-year anti-corrosion warranty
- Up to 3 years' UK roadside assistance and recovery

This package, together with Audi variable Service intervals, offers a combination unmatched by any other major manufacturer.

Contact your Audi Centre for full details.

Extended Warranty

1 year Warranty Extension.

Audi Warranty Extension prolongs your 3 year / 60,000 mile Audi warranty to 4 years or 75,000 miles (whichever comes sooner). Comprehensive cover equivalent to the Audi warranty protects you against unexpected repairs. This is available when you buy a new car but it is transferable between owners.

Contact your Audi Centre for full details.

2 year Warranty Extension.

Audi Warranty Extension prolongs your 3 year / 60,000 mile Audi warranty to 5 years or 70,000 miles (whichever comes sooner). Comprehensive cover equivalent to the Audi warranty protects you against unexpected repairs This is available when you buy a new car but it is transferable between owners.

Contact your Audi Centre for full details.

Audi Tax-Free Sales

If you are entitled to purchase a vehicle free of VAT, normally through Military or Diplomatic privilege, please contact your local Audi Centre for full details.

Should you have any difficulty obtaining the information you require, please call Freephone 0800 585878.

Audi Finance

Audi Finance specialise in providing funding solutions for Audi drivers. Whether your Audi is for private or business use, there are a range of funding options to choose from.

Below is the full range of finance products.

- Solutions – a Personal Contract Plan
- Hire purchase
- Lease purchase
- Finance lease
- Contract hire

With all products, you can choose a fixed-cost maintenance plan designed to help you budget accurately.

No matter what Audi model you choose, your local Audi Centre can provide you with a personalised quote which could fit your budget and motoring needs.

Audi Finance is a trading name of Volkswagen Financial Services (UK) Limited. An offer of finance depends on certain conditions. Available to people over 18 in the UK only.

Audi Insurance

Competitive comprehensive motor insurance designed specially for Audi drivers. All new Audi models come with complimentary seven-day cover upon request – we'll email a cover note directly to your Audi Centre, enabling them to tax your car easily. This way, you can drive straight out of the showroom. Taking out an annual policy is easy and it can begin as soon as your free seven-day cover expires.

For more information, contact your local Audi Centre. Alternatively, call 0800 051 3146 for a quote and to receive 7 days' complimentary cover for your new Audi.

Audi Insurance is underwritten and administered by Zurich Insurance Company.
