

2013 CHRYSLER 300

You'd expect the flagship of the Chrysler sedan family to lead, and when measured by the standards of luxury, safety, performance and comfort and convenience, its leadership skills are as impressive as ever. The stunning performance of the proven 3.6-liter Pentastar® is matched by its partner, the innovative 8-speed automatic; both help increase fuel efficiency and performance. The impressive 5-speed automatic with AutoStick teams up with the legendary 5.7-liter HEMI® V8, also as available equipment. Brilliant exterior colors, smart interior trim treatments, and huge 19- and 20-inch wheels join a wealth of moving options that give fleets of all sizes the opportunity to make a statement about their own level of quality. In every respect, this singular vehicle distinguishes itself. For additional Chrysler 300 specialty models not included, please go to chrysler.com/

PRODUCT HIGHLIGHTS

- 2013 model-year vehicles come equipped with a transferable 5-Year/100,000-Mile Powertrain Limited Warranty⁽¹⁾
- 8-speed transmission — Standard with V6
- Model lineup:
 - 300, 300S, 300C, 300C Luxury, 300 AWD, 300S AWD, 300C AWD, and 300C Luxury AWD
- 3.6-liter Pentastar Flex Fuel V6 — Standard on all models (except SRT)
- 5.7-liter HEMI® V8 — Available (except on 300 base model)
- 300C Luxury Series: Premium interior features include leather trim on the doors and instrument panel, premium perforated Nappa leather-trimmed seating, and hard-sanded wood trim; exterior features include platinum chrome and 20-inch wheels — Standard
- All-wheel drive with automatic front axle disconnect — Available on 300, 300S, 300C and 300C Luxury
- Uconnect® 8.4-inch radio with Navigation — Available
- Adaptive Cruise Control (ACC)⁽²⁾ — Available
- Memory System: Controls for the driver's seat, power tilt/telescoping steering column, exterior mirrors, power pedals and radio presets for two drivers — Available
- Beats™ Audio Group with 10 speakers, subwoofer and 552-watt amplifier — Available (Standard on 300S)
- Keyless Enter™ N Go™ System: Features proximity entry and push-button start
- Crisp, brilliant color TFT display in the EVIC
- Heated/ventilated front seats — Available
- Heated wood/leather-trimmed steering wheel — Available
- Premium cloth seating — Available for fleet only
- Leather standard on all models
- Bluetooth and Uconnect Voice — Standard on 300

SAFETY/SECURITY

- Awarded as a *Top Safety Pick* by the IIHS in 2011 and 2012
- Advanced multistage driver and front-passenger air bags⁽³⁾ — Standard
- Supplemental side-curtain air bags⁽³⁾ — Standard
- Supplemental seat-mounted pelvic thorax air bags⁽³⁾ — Standard
- Driver's-side knee blocker air bag⁽³⁾ — Standard
- Electronic Stability Control (ESC)⁽⁴⁾ — Standard
- Four-wheel disc antilock brakes — Standard
- Rain Brake Support, Brake Assist, and Ready Alert Braking — Standard
- Remote Keyless Proximity Entry/Illuminated Entry — Standard
- Sentry Key® antitheft engine immobilizer — Standard
- Uconnect Voice Command — Standard
- ParkSense® Front/Rear Park Assist System⁽⁵⁾ — Available
- Tire Pressure Monitoring System — Standard
- Active High Beam Headlamp Control — Available
- Rain-sensitive wipers — Available
- ParkView® Rear Back-Up Camera⁽⁵⁾ — Available
- Forward Collision Warning System⁽⁶⁾ — Available
- Reactive head restraints⁽⁷⁾ — Standard
- Blind Spot Monitoring⁽⁵⁾ and Rear Cross-Path Detection System⁽⁵⁾ — Available
- SafetyTec™ Group — Available
 - Includes auto-dimming power exterior mirrors, supplemental signal and courtesy lamps, rain-sensitive windshield wipers, Forward Collision Warning,⁽⁶⁾ Adaptive Cruise Control (ACC),⁽²⁾ Blind Spot Monitoring, and Rear Cross-Path Detection System

⁽¹⁾See dealer for details and a copy of this limited warranty. ⁽²⁾ACC is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use brakes to avoid collisions. ⁽³⁾Always sit properly in the seat with the seat belt fastened. ⁽⁴⁾Always drive carefully, consistent with conditions. Always wear your seat belt and obey traffic laws. ⁽⁵⁾Always check entire surroundings before backing up or changing lanes. ⁽⁶⁾Forward Collision Warning is a driver convenience system. The driver must remain aware of traffic conditions and be prepared to use brakes to avoid collisions. ⁽⁷⁾Always sit properly with head restraint properly adjusted. Never place anything in front of the head restraint.

⁽¹⁾ACC is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use brakes to avoid collisions.

⁽²⁾Always check entire surroundings before backing up or changing lanes.

⁽³⁾Sirius services require subscriptions, sold separately after 12-month trial included with vehicle purchase/lease. Subscriptions governed by SiriusXM Customer Agreement at siriusxm.com.

If you decide to continue your SiriusXM service at the end of your complimentary trial, the plan you choose will automatically renew and bill at then-current rates until you call SiriusXM at 1-866-635-2349 to cancel. SiriusXM U.S. Satellite service available only to those at least 18 years of age in the 48 contiguous United States, D.C. with Sirius also available in PR. Go to www.siriusxm.com/traffic for available coverage. © 2012 SiriusXM Radio Inc.

⁽⁴⁾Requires Bluetooth enabled mobile phone.

⁽⁵⁾Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint.

⁽⁶⁾Always sit properly in the seat with the seat belt fastened. Always observe the passenger air bag indicator lamp to determine if the OCS classification is appropriate. Children 12 and under should always be in a backseat correctly using an infant or child restraint system or the seat belt positioned correctly for the child's age and weight.

⁽⁷⁾No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice, and other conditions can affect. When the ESC warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing conditions. Always drive carefully, consistent with conditions. Always use your seat belt.

⁽⁸⁾Forward Collision Warning is a driver convenience system. The driver must remain aware of traffic conditions and be prepared to use brakes to avoid collisions.
