BENTLEY

PRESENTING
YOUR BENTLEY
BENTAYGA MULLINER

YOUR PAINT

Beluga (Solid)

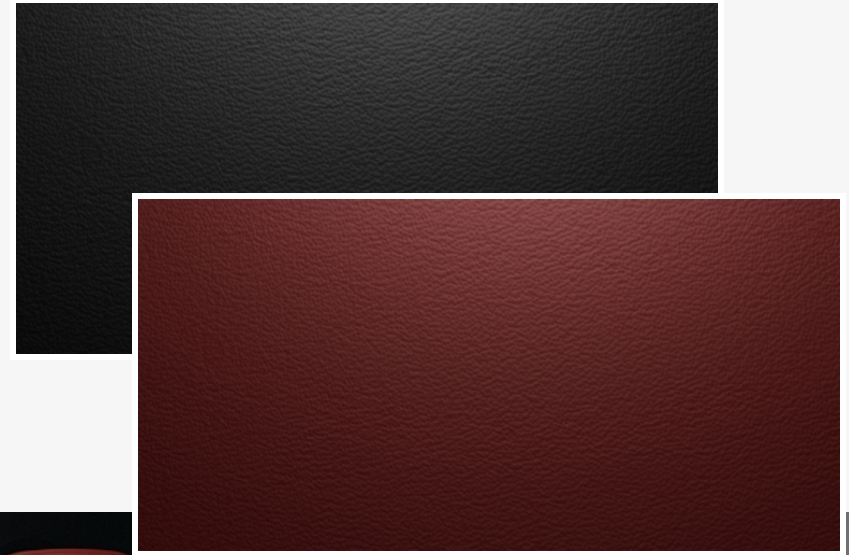

Beluga is a solid black finish that dates back to Bentleys of the 1940s and, like the caviar after which it is named, is a much prized choice for many customers.

YOUR HIDE

Hotspur and Beluga split

Seven duo-tone upholstery patterns have been created by Mulliner's elite stylists, each one developed to complement the unique interior perfectly. Whichever colour pairing you have chosen, you can rest assured you will be commissioning an extraordinary car. Indeed, yours will be one among a small number of the most exquisite SUVs in the world.

YOUR VENEER

Ombre Burr Walnut

Developed for Bentayga Mulliner, the new Ombré Burr Walnut veneer treatment is nothing short of breathtaking. Piano Black stain fades seamlessly into the natural grain of Burr Walnut – a stunning effect applied to both the centre console and the waist rails inside the front doors.

YOUR WHEELS

Black Specification with 22" 5 Spoke Directional Alloy Wheel – Black Painted

For those seeking further visual differentiation to their Bentayga, the Black Specification is an option designed to provide an even more distinctive and dramatic visual statement. Including all features of the Blackline Specification, the Black Specification's striking appearance is enhanced by a number of carbon fibre elements; front bumper splitter, side sills, rear bumper diffuser and a prominent rear spoiler. The exhaust tailpipes are painted in a gloss black finish to complement the Blackline features of the car, whilst the 22" 5 spoke black painted 'handed' directional wheel is exclusively available with the Black Specification.
