

CONCEPT

A high-class car that sets the world standard for the new century.

Embodying the essence of an emotional and elegant sedan . . . the LEXUS ES300.

Debuting with a myriad of innovations that contribute to increased value.

Everything a leading world-class car should be . . .

Harmonizing attractively with your lifestyle and community, the stately appearance of the LEXUS ES300 has evolved and matured.

Dynamic, flowing surfaces define the form, and the sophisticated interior evokes a sense of intelligence.

Add to that powerfully elegant handling and safety features that brook no compromise.

The ES300's overall polish and refinement inspire overwhelming satisfaction in every owner.

LEXUS ES300: Crystallization of evolution & maturation

Six features that offer ultimate satisfaction
