

Diagram of a 40-seat airplane cabin layout. The cabin is represented by two rows of seats. The top row has seats numbered 1 through 9, followed by a gap, then seats 10 through 17. The bottom row has seats numbered 18 through 26, followed by a gap, then seats 27 through 32, followed by a gap, then seats 33 through 40. A circled label 'B420' is positioned above the gap between the two rows, indicating the aircraft type.
