

# Construction

NOTE: Be sure to use epoxy-based putty and primer surfacer to make any repairs on paint coats or zinc-plated sheet metal (see page 3-3).

| No. | Part Name                                     | Zinc-plated           | No. | Part Name                    | Zinc-plated           |
|-----|-----------------------------------------------|-----------------------|-----|------------------------------|-----------------------|
| ①   | Hood                                          | <input type="radio"/> | ①⑨  | Front Pillar Lower Stiffener | <input type="radio"/> |
| ②   | Front Fender                                  | <input type="radio"/> | ②⑩  | Inside Sill                  | <input type="radio"/> |
| ③   | Front Door Panel/Door Skin                    | <input type="radio"/> | ②①  | Roof Side Rail               |                       |
| ④   | Rear Door Panel/Door Skin                     | <input type="radio"/> | ②②  | Roof Panel                   |                       |
| ⑤   | Trunk Lid                                     | <input type="radio"/> | ②③  | Center Pillar Stiffener      |                       |
| ⑥   | Front Side Bulkhead                           | <input type="radio"/> | ②④  | Center Pillar Inner          |                       |
| ⑦   | Bulkhead Upper Frame                          | <input type="radio"/> | ②⑤  | Rear Inner Panel             | <input type="radio"/> |
| ⑧   | Front Lower Cross-member                      | <input type="radio"/> | ②⑥  | Rear Wheelhouse              | <input type="radio"/> |
| ⑨   | Wheelhouse Upper Panel/Front Pillar Extension | <input type="radio"/> | ②⑦  | Parcel Shelf                 |                       |
| ⑩   | Front Wheelhouse                              | <input type="radio"/> | ②⑧  | Front Floor                  | <input type="radio"/> |
| ⑪   | Damper Housing                                | <input type="radio"/> | ②⑨  | Middle Floor Cross-member    | <input type="radio"/> |
| ⑫   | Front Side Frame                              | <input type="radio"/> | ③①  | Rear Floor                   | <input type="radio"/> |
| ⑬   | Front Side Extension                          | <input type="radio"/> | ③②  | Rear Panel                   | <input type="radio"/> |
| ⑭   | Dashboard Lower                               | <input type="radio"/> | ③③  | Side Sill Extension          | <input type="radio"/> |
| ⑮   | Dashboard Upper                               | <input type="radio"/> | ③④  | Rear Frame                   | <input type="radio"/> |
| ⑯   | Outer Panel                                   | <input type="radio"/> | ③⑤  | Rear Floor Cross-member      | <input type="radio"/> |
| ⑰   | Front Pillar Inner Lower                      | <input type="radio"/> |     | Honeycomb Floors             |                       |
| ⑱   | Front Pillar Inner Upper                      | <input type="radio"/> |     |                              |                       |
