VOLKSWAGEN

Your satisfaction is our quality standard – down to the smallest detail. To fulfil this, we only use high-quality materials – excellently manufactured using state-of-the-art production processes and perfectly adapted for your Volkswagen.

Your safety is our priority – down to the smallest detail. For this reason our products are subjected to safety inspections which meet the most stringent requirements and far exceed the legally prescribed standards.

Your Volkswagen is our benchmark – down to the smallest detail. This is why every Volkswagen Genuine Accessories product is developed in conjunction with the vehicle. Our goal: everything must fit perfectly. So that your Volkswagen stays a Volkswagen.

POWER RATHER THAN FLOWER.

Forget the flowery Beetle romanticism and get ready to experience pulsating power that has a lot to offer. Especially for the eye: Create sporty accents for dynamic design highlights – thanks to Volkswagen Accessories. Or both.

Volkswagen Genuine Decorative film, stripe design¹

The sporty 2 or 4-stripe design runs from the bonnet over the roof and back to the tail of the vehicle. A stylish look, available in Black and Amalfi White. See the attached price list for an overview of all available versions.

The figure **01** shows the decorative film with 2-stripe design, the figures **02/03** show the 4-stripe design.

Volkswagen Genuine Rear diffuser

Give your car a striking look and overall sporty appearance – with the Volkswagen Genuine rear diffuser. Made of an especially durable, high-quality plastic, the diffuser is primed and can be painted – for example in the same colour as the vehicle or in Black as illustrated. See the attached price list for an overview of all available versions.

Volkswagen Genuine roof edge spoiler (Figure 02)

The Volkswagen Genuine rear spoiler not only looks good but is also effective. Its distinctive sporty look significantly enhances the tail end of the vehicle while simultaneously improving the aerodynamics. The basic element is primed and ready for painting in the vehicle colour and the spoiler edge shines with a glossy black paint finish.

Art. no. 5C5 071 641 B GRU

Volkswagen Genuine Front spoiler

Sportiness with intent: the aerodynamically designed front spoiler reduces lift to the front axle and makes a powerfully dynamic statement. Made of an especially durable, high-quality plastic, the spoiler is primed and can be painted in the colour of the vehicle.

Volkswagen Genuine Decorative film¹

Wolfsburg coat of arms

Unmistakeably Beetle, unmistakeably Volkswagen. Create a clear statement of your passion for the Beetle's birthplace with the Wolfsburg coat of arms for the roof. Available in Black and Amalfi White.

Art. no. 5C0 064 317 K Y9K Amalfi White

Art. no. 5C0 064 317 K 041 Black

Volkswagen Genuine Decorative film, Billiard ball¹

Make a stylish and powerful statement: with the white billiard ball decals for the vehicle doors and roof. A truly classic cult design. And also a clear reminder of the wealth of chances and opportunities that life has to offer. Colour: Amalfi White.

Art. no. 5C0 064 317 L

Simply scan the QR code and re-experience the Beetle.

¹After one to three years decorative films may show signs of use and aging, especially when exposed to direct sun. In especially hot climates this may even occur during the first year. If the decorative film remains on the vehicle for an extended period, visual differences between the area covered with decorative film and other paintwork areas may occur.

Volkswagen Genuine Tail silencer trim

Pure dynamics for the back of your vehicle. The inclined design, high-gloss polished stainless steel and a diameter of up to 75 mm make your vehicle the epitome of the sporty look.

NICKNAMES

Give your Beetle its own unique profile. With the Volkswagen Genuine Accessories nickname films for the sides of the Beetle. The films, with a variety of types of lettering to choose from, can be mounted by your Volkswagen Partner.

The **Volkswagen Genuine Nickname decorative film**¹ allows you to give your Beetle an even sportier profile. The films bearing the nicknames are available in black and amalfi white and provide that added touch of charisma. See the attached price list for an overview of all available versions.

¹After one to three years decorative films may show signs of use and aging, especially when exposed to direct sun. In especially hot climates this may even occur during the first year. If the decorative film remains on the vehicle for an extended period, visual differences between the area covered with decorative film and other paintwork areas may occur.

WHEELS AND TYRES

NOTE

Figure shows: **Nickname film** Page 10,
Tornado alloy wheel Page 20

LOOKING GOOD.

Whether parked or on the road. As long as they are the stylish wheels from Volkswagen Accessories. The only question is whether you prefer to experience them while driving or admire them while parked. Admittedly: A difficult decision.

PURE DRIVING PLEASURE. BUT SAFE.

A good grip, reliable acceleration, controlled driving dynamics – hardly any components bear so much responsibility as the wheels. Both for safe driving and for the complete look of the vehicle. Our developers, designers and engineers master the balancing act between form and function on a daily basis. They do this by unifying top-quality materials with first-class designs to corresponding functioning. And by testing the results for so long and so intensively until they meet our Volkswagen demands on quality and safety.

WE TEST FOR YOUR SAFETY.

We are not satisfied with offering you high quality standards. Therefore our inspection procedures are more extensive, stricter and harder than is demanded by law. And our products are simply safer.

Strength Tests:

The rotating bending test simulates the load on rims when travelling through bends, whereas the roll-off test checks the wheel under overload conditions and in the impact test the impact strength of the edge of the rim is tested.

Material & Surface Tests: In these tests both the chemical composition, tensile strength and elongation values of the rim and the resistance of the surface to scratching and corrosion are derived.

Endurance Testing: The endurance test takes place using a bi-axial wheel test bay (ZWARP). Here the greatest loads which can occur across the lifetime of a wheel are simulated.

Vehicle Tests: In the clearance test, the wheel bolt tightness test and the threshold test the wheels are tested under hard conditions on the test track.

VOLKSWAGEN ACCESSORIES. BECAUSE QUALITY IS ALWAYS WORTHWHILE.

HIGH LEVEL OF SAFETY FOR LITTLE ONES.

Musical boxes, teething rings, picture books or story books – all ages have their own milestones, whether little or large. Every stage of development also has its own challenges. That is why we have developed child safety seats for each age group. Each one offers a convincing combination of high sitting comfort, easy handling and also exceeds the requirements of the ECE-R44/04 standard. All covers can be easily removed and washed at 30°C. And the most important point: your child is well protected when travelling.

Volkswagen Genuine G0 plus ISOFIX

High protection and comfort for new-born babies and babies up to 13 kg or 15 months old: The ISOFIX fastening system ensures that the child seat with its base frame is securely fastened to the vehicle body. Without ISOFIX it can also be used with any 3-point belt. The child is securely held in the seat by a height-adjustable, 5-point full belt safety harness. Further features include an adjustable handle, an easily removable, washable fabric covering, an adjustable-height seat insert and a sun shade.

Volkswagen Genuine G1 ISOFIX DUO plus Top Tether

Safety and seating comfort for children weighing between 9 and 18 kg (from eight months to approximately four years old). The height of both the full safety harnesses and the sleep support can be adjusted. Furthermore, the sitting position can be adjusted in multiple ways. In addition to the tried and trusted locking system using an ISOFIX connection, the seat is secured at the provided fasteners in the luggage compartment by means of the „top tether“ connection in suitably fitted vehicles – thus providing additional support.

Art. no. 5G0 019 909 A

Volkswagen Genuine G2-3 ISOFIT

Children aged between 3 and 12 years (15 to 36 kg) travel safely and comfortably thanks to the height-adjustable sleep supports and the possibility of individually adjusting the height and inclination of the seat to the needs of the child. The seat is attached using the vehicle's ISOFIX anchorage points. The child itself is buckled in using the 3-point seatbelt in the child's seat.

Art. no. 5G0 019 906

Volkswagen Genuine Seat cover

The optimum protection for sensitive seats: The easy-to-clean, anti-slip seat cover prevents dirt or wear, for example from child seats. Practical net pockets offer additional stowage space. Also usable with ISOFIX seats.

Art. no. 000 019 819

Volkswagen Genuine Additional interior rear view mirror

For better visibility and keeping a watchful eye on children travelling in the rear: The additional inside rear view mirror is fixed to the windscreen or the dashboard using a suction cup mounting and can be individually adjusted to take in the interior, the traffic or for parking, thanks to its flexible joint.

Art. no. 000 072 549 A

Volkswagen Genuine Care and cleaning aids

The care and cleaning aids have been developed to work perfectly together in and on the vehicle. Every product is ISO-certified and has also been tested and approved by Volkswagen's central laboratory. For long-term, effective vehicle care which protects both the material and the environment. Please see the attached price list for more detailed information on the individual products along with the seasonal care and cleaning sets.

Volkswagen Genuine Safety vest

The fluorescent safety vest with Volkswagen lettering and reflective strips is approved as per DIN EN 471. The safety vest must be carried by law by drivers in company cars in Germany, except when engaging in freelance work, and is already compulsory for all vehicle occupants in some countries. A storage bag is included in the scope of delivery. Colour: Orange.
