A FIVE OUT OF FIVE

GET AHEAD OF YOUR COMPETITION

WITH THE ISUZU E-SERIES' FIVE-POINT ADVANTAGE

COMFORTABLE DRIVING EXPERIENCE

Your long-haul drive won't feel as tiring with the E-Series' superior and pleasant driving experience. From the ergonomically designed seats for lumbar support, a wide window view to give you a full field of vision, controls & buttons that are easily within reach, to the sleeper cab & storage compartments that make your life on the road easier, we made sure we designed this truck with your needs in mind.

SAFETY

Your safety will always be our priority, that's why we integrated in the cab's design the anti-lock braking system, preventing your truck from having sudden skids and locking up during braking – giving you peace of mind with every haul.

With ABS

Without ABS

SECURE AND EASY HANDLING

Owning an E-Series truck won't give you headaches, rather it would relieve you from them. We designed our trucks to be accessible and easy to maintain. The truck has taper leaf to protect the chassis and axle, differential locks for those bumpy off-road rides, tires that can stand any weather, battery compartments for easy access and a starting drive assist, making your overall ride a better one.

Tapered Leaf Suspension

All-weather Tires

Park and Trailer Brake

FUEL EFFICIENCY

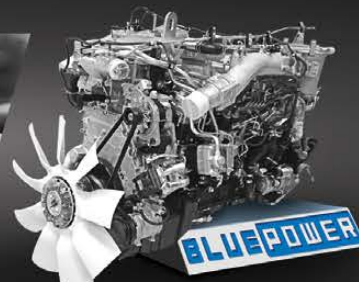

With the state-of-the-art Euro V Blue-Power Diesel engine that maximizes every ounce of fuel, cruise control feature to help you manage fuel intake, and the aerodynamic cab design that lessens drag while on the road, the E-Series is built to be powerful and efficient.
