

2013

DODGE DART

It made an impression from the moment it was introduced at the North American International Auto Show – and it just keeps earning accolades from critics and public alike. The most recent: the honor as a *Ward's "10 Best Interior"* – with special mention noting the truly exceptional features and comfort of this spacious compact sedan. From there, it gets better, as it was also judged to be the most technologically advanced car in its class⁽¹⁾. The choices are superb: choose from three engines; the new 16-valve 2.0L Tigershark™ (160 hp and 148 lb-ft of torque), standard; the available 16-valve 1.4L TurboFire with MultiAir® (160 hp, 184 lb-ft torque), and the available new 16-valve 2.4L Tigershark™ with MultiAir II (184 hp and 171 lb-ft of torque). Further choices come from 14 interior combinations, 12 exterior colors and 6 wheel selections. Combine it all, and you're looking at interiors with innovative ambient interior lighting, well-crafted soft-touch materials and high-tech features, even an available heated steering wheel – all topped off by offering your fleet the most diverse powertrain lineup in its class⁽¹⁾ – and one of the best warranties in the business.

PRODUCT HIGHLIGHTS

- The all-new 2013 Dodge Dart features a transferable 5-Year / 100,000-Mile Powertrain Limited Warranty⁽²⁾
- Engine/transaxle choices:
 - New 2.0L 16V DOHC Tigershark with 6-speed manual (standard) or 6-speed automatic (available)
 - The 1.4-liter 2.4L 16V TurboFire in-line four cylinder with MultiAir® with 6-speed manual, or six-speed Dual Dry Clutch automatic – All available
 - New 2.4L 16V Tigershark four cylinder with MultiAir II with 6-speed manual, or six-speed automatic – All available
- Exceptional aerodynamic performance
- MultiAir technology offers increases in power up to 10 percent, along with a reduction in fuel consumption and emissions up to 10 percent
- 68 percent of the body is composed of high-strength steel, one of the highest percentages in the industry
- Responsive steering for agile, nimble maneuverability
- A lengthened and widened platform, to deliver high levels of interior roominess
- Eye-catching exterior proportions, with dynamic lines and fluid, aerodynamic curves
- Personality-packed front fascia, instantly recognizable as an all-new Dodge, with tailored split-crosshair grille, projector headlamps, available foglamps, and accentuated fenders
- Signature Dodge full-width LED "racetrack" tail lamps and class-exclusive integrated dual exhaust⁽¹⁾ – Available
- Four-wheel independent suspension
- 18-inch wheels – Available

SAFETY/SECURITY

- All-Speed Traction Control System – Standard
- Four-channel anti-lock brakes – Standard
- Four-wheel disc brakes – Standard
- Front and rear crush zones – Standard
- Front passenger knee air bag⁽³⁾ – Standard
- Hill Descent Control – Standard
- Hill Start Assist – Standard
- Panic brake assist – Standard
- Rain Brake Support – Standard
- Ready Alert Braking – Standard
- Rear seat-mounted air bags⁽³⁾ – Standard
- Side curtain air bags⁽³⁾ – Standard
- Trailer Sway Control – Standard

⁽¹⁾Based on Ward's Upper Small Sedans Costing \$25,000. ⁽²⁾See dealer for details and a copy of this limited warranty. ⁽³⁾Always sit properly in the seat with the seat belt fastened.

• = Included P = Available with package noted O = Optional

⁽¹⁾Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint.

⁽²⁾The advanced front air bags in this vehicle are certified to the new U.S. federal regulations for advanced air bags. Children 12 years and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a front passenger air bag. All occupants should always wear their lap and shoulder belts properly.

⁽³⁾Always check visually for vehicles prior to changing lanes.

⁽⁴⁾No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESC warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt.

⁽⁵⁾Always check entire surroundings visually before backing up.

⁽⁶⁾Requires SIRIUS Radio, Traffic, Travel Link and Backseat TV subscriptions, sold separately after trial period. Other fees and taxes will apply. SIRIUS Traffic and Travel Link available in select markets. Backseat TV subscriptions not available without SIRIUS Radio subscription, SIRIUS data displays and individual product availability vary by hardware equipment. SIRIUS services available only to those at least 18 years of age in the 48 contiguous U.S.A., DC, and Puerto Rico (with coverage limitations), while Internet radio is also available in AK, HI and PR. Fees and programming subject to change. **Service automatically renews and you will be billed, at then-current rates, unless you call 1-888-539-7474 to cancel.** Subscriptions governed by SIRIUS Terms and Conditions, available at sirius.com Service available in Canada; see siriuscanada.ca

⁽⁷⁾Phone must support Bluetooth Phone Book Access Profile (PBAP).
