3

Do you desire an individually and sportingly tuned appearance of your car? We have a simple solution for you. We offer you a styling kit that will make your Fabia even more impressive because it will acquire the expression of ferocity and appropriate aggressiveness.

Styling kit includes: front bumper spoiler, rear diffuser, exhaust pipe end piece and roof spoiler. With new cars, we offer this package for an extraordinarily advantageous price of XXX EUR *

If you are interested in buying the kit for your current car or in buying just some of its parts, you can get information on the prices as well as on other Škoda Genuine Accessories on offer from your authorised Škoda partner.

The information on technical specifications, design, equipment, materials, warranties and external appearance relates to the time when the leaflet was put into print. The manufacturer reserves the right to make a change (including a change in technical specifications). Other detailed information on the full range of Škoda Genuine Accessories, including fitting, is available from your authorised Škoda partner.
