

SPARK EV/14

PURE. ELECTRIC. FUN.

The all-new 2014 Spark EV is where impressive electric technology meets surprising performance. Drive gas-free and tailpipe-emissions-free with instant power and the thrill of 400 lb.-ft. of torque. Spark EV lets you live outside the boundaries of gas stations, getting 128 MPGe city, 109 highway, 119 MPGe combined, and 28 kW-hrs per 100 miles. So fuel efficiency is a problem of the past. The all-new 2014 Spark EV is available to residents of Oregon and California.

Spark EV in Electric Blue.

1 Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner's Manual and the child safety seat instructions for more safety information. 2 Visit onstar.com for details and system limitations. 3 MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. MyLink on Spark EV does not include functionality such as enhanced voice recognition, Gracenote and CD player. 4 Requires available Chevrolet MyLink. BringGo app must be purchased separately. Requires compatible smartphone. Data plan rates apply. Visit BringGo.com, call 1-855-4-SUPPORT (1-855-4-787-7678) or see dealer for more information. 5 Go to gmtooltalk.com to find out which phones are compatible with the vehicle. 6 If you subscribe after your trial period, service will automatically renew and bill at then-current rates until you call SiriusXM to cancel. See SiriusXM Customer Agreement for complete terms at siriusxm.com. Other fees and taxes will apply. XM satellite service is available only in the 48 contiguous United States and D.C. 7 Data plan rates apply. 8 Requires compatible Phone running iOS 6.
